Once you customize your game to suit your play style, you are ready to go! Skip Boards You will find that it is very easy to customize your game by simply playing in a different order. For example, you can jump before the first set of combat zones. Or you can wait until you are near the castles to fight the dragon. One of the best places to start customizing your game is the Skip Boards menu. In this menu, you can press the keys to skip any one of several important actions. These include: Beginning battle First dragon attack Dracolord step in combat Moving forward Moving back Turn Jump Fight monsters Stop combat Dismount This is a good first step because it allows you to start customizing your game, while uninterrupted. Once you have played the game a lot, you will find that you have a favorite order, or sequence of Skip Boards. This means that you only need one set of keystrokes to press to skip to the next set of actions. Here is a list of all the keyboard bindings and how to bind them to the Skip Boards menu. You will not actually bind these, but you will only press the needed keystroke to move through them. Skip Start Battle: F2 Skip First Dragon Attack: F3 Skip Dracolord Step In Combat: F4 Skip Turn: F5 Skip Jump: F6 Skip Fight Monsters: F7 Skip Stop Combat: F8 Skip Dismount: F9 If you plan to only use one set of keys to control your game, then this will work for you. However, if you use more than one key set to control your game, you will need to make sure that you
